A telephone request was made by the Examiner on May 23, 2003 to the office of Jim Larsen in order to resolve the formal matters with regards re-connecting chain of the claim of the priority of the file wrapped U.S. application. A request was may to submit a new Declaration/Oath with the additional of a claim of priority under 35 USC 120 of the intervening file wrapped U.S. application 08/545,591.

A facsimile copy was submitted and received by the examiner on 12 June 2003, and entered as paper no. 27.

As such, the claim of priority now is deemed as sufficient to support the subject matter as claimed, and has been afforded a priority date as supported by such claims of
